BY THE STUDENTS, FOR THE STUDENTS

Nadya Winata
Thailand

“CU gave me the opportunity to find my hidden talents and explore my passions. The faculty members were very supportive and helped me along every step of the journey. I learnt a lot from academics as well as my peers at this institution. The university also provided me with a scholarship so that I could finance my education and fulfil my career-related dreams.”

“At CU, I got the opportunity to conduct real-life experiments and take practical lessons. Great infrastructure, fully equipped laboratories and excellent teaching facilities helped me to be confident and perform well in my career. With CU, I realized that it's possible to fulfil my dreams and build my life and career around my greatest passions.”

Chandra Lal Chhetri

“CU provides ample research and internship opportunities for its students. Students who are intellectually and academically oriented have the platform to grow in fields of their interest. The university also offers global exposure in research fields through its tie-ups and collaborations with various international universities.”

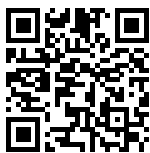

“One thing I like about Chandigarh University is that the campus environment is very safe, secure and lively. Students from all over the world feel free and comfortable roaming around here even during odd hours. I often visit the campus library late in the evenings and spend my time reading different books.”
